Clover Street PTA

WE NEED YOU!

**Your Membership
Makes A Difference!**

Whether it's attending a meeting, reading with a class or helping with a school-family event, your help sends an important message to your child: **That education and life long learning are important and fun.**

Help us build a better future for ALL children.

What you can do:

Become a Member - We welcome all family members, teachers, staff & persons from our community.

Come to PTA Meetings - Voice an opinion, vote on PTA projects, or simply meet other Clover families.

Volunteer - Available during the day? How about volunteering a few hours at the book fair? If you are available during the evening, we could use your help at the holiday party or maybe bake an item for Staff Appreciation Week. Make a commitment that works for your family.

Chair a Committee - Most of our committees do not demand a lot of time. If 2 people are willing to chair a committee, the responsibilities can be split.

PTA MISSION

- Support and speak on behalf of the children and youth in schools, in the community, and before government bodies and other organizations that make decisions affecting children.
- Assist parents in developing the skills they need to raise and protect their children.
- Encourage parent and public involvement in the public schools of the nation.

PTA Membership
\$6.00 per person or \$11.00 per family
